

OPERATION GLORY LIGHT

Intercessory Prayer Watch

October 10-31, 2026 | 6:00 PM–3:00 AM Daily

Purpose

From **October 10–31, 2026**, intercessors will unite in coordinated, strategic prayer across the evening and midnight watches, standing in the gap for South Florida during the Halloween season a period of heightened spiritual concern regarding witchcraft, sorcery, occult practices, and ritualistic activity. Recognizing this season as a time of intensified spiritual warfare, our assignment is to disrupt, dismantle, and overturn every demonic and diabolical agenda of the enemy through fervent prayer, prophetic intercession, and the authority of Jesus Christ.

Our intercession will also specifically address the **South Florida Dark Arts Festival**, scheduled for October 10, 2026, in Fort Lauderdale, from 6:00 PM to 2:00 AM. We will stand against spiritual deception, occult influence, and every form of darkness while praying for divine protection against violence, abuse, exploitation, harmful rituals, and any acts of sacrifice that would endanger human or animal life.

Our mandate is to stand as watchmen at the gates of our region, exercising our spiritual authority, declaring the Word of God, and contending for the protection of families, the salvation of souls, the deliverance of captives, and the advancement of God's Kingdom throughout our communities. We will not be intimidated by darkness, nor will we magnify its activity. We will magnify Christ, proclaim His Lordship, and declare that His light will prevail!

“And the light shineth in darkness; and the darkness comprehended it not.” — John 1:5 (KJV)

Our intercession is directed against darkness, deception, bondage, exploitation, destructive influence, and spiritual confusion while we pray for people to encounter the love, truth, protection, freedom, and saving power of Jesus Christ.
